“ *Gonka and Grandma D. took in my daughter and I like we were there own. Sylvia wanted to say how much she loves her Gonka. She wanted to share one of her memories of Gonka. Grandma D or gonka would pick up Sylvia up when she was in Head Start. She would always wait for Gonka to come home. She give her Gonka big hugs, Gonka hugs always cured everything then you would see those two go into his computer room. She would sit there and watch Gonka play his games for hours. Gonka always knew what to say to make you feel better. We miss you Gonka. We love you. We will treasure all the memories we have forever. You will forever be in our hearts. Thank you Gonka for being a wonderful man to me and my children. We love you.*
