“ Brother Clark was always so positive and cheerful. I served in the Bishopric of the 5th ward for 11 years and spent lots of time in the Clerk's office. Many times I would visit with Brother Clark, but in all those years, I never knew that he served as a Judge for the State of Washington. He was very humble and always serving and thinking of others! I will always remember him as a humble, devoted servant of Jesus Christ. I am glad that I knew Brother Clark (That is all I ever knew him as. . .) and my life is blessed by his faithful example.

Sincerely,

Eric Stones

“ Wonderful memories of Chuck during our overland/sea trip from Italy to Greece and back to France together with his business partner David Delaittre in 1971.

A brilliant and cultured mind, and such delightful and entertaining company.
