“ Charlotte was my next door neighbor. So kind, funny, sociable! We shared my giant cherry tree! I REALLY liked her alot! I will sure miss her! I felt so badly to miss her memorial service- I had a very long-standing appt w/doc in Wenatchee that day. I look over my fence and find it hard to believe she's really gone!

“ To dear Charlotte's family
My heart felt sympathy goes out to you all as you endure the loss of your dear mother and us neighbors and friend's a wonderful person. I so enjoyed our monthly conversations on the phone visits at her home for a chat and coffee or tea and perused her catalogs of clothes and menus she shared and how proud she was of her family and the love of her life Al who we came to know through Sister City when our son Derek was an ambassador in high school. She may be gone but will never be forgotten as to live in the heart's of those we love is never to die. Love is forever.
May peace be with you all.

“ To the family of Charlotte Roth. We are so very so for your loss. Charlotte was an amazing lady. She dedicated much of her time helping to save lives as a volunteer at Inland Northwest Blood Center. I met Charlotte and her late husband Al during the mid 80's . They were very dedicated to serving our community in more ways than one. Charlotte, we will miss you and happy that you are now reunited with Al.

“ I am so very sorry for your loss. I met Al and Charlotte in 1982, went to work for them, and remained friends after their retirement. Charlotte was so good hearted and was always giving of her time to others. She truly cared about her employees and her friends. She was very involved in many activities in Moses Lake and made an impact on so many lives as well as the community. We enjoyed many good times together. When Vic and I married, she and Al had Vic and I to their house for a wedding dinner. She was a fabulous cook! She did so many kind things for me and was a great friend to me. The last few years I loved getting her "Christmas call". I will miss you, Charlotte, but I know you and Al are toasting to your new chapter in your life and for that, I am very happy for you.

As a fellow member of the Legion Ladies Auxiliary, I recently passed out poppies on Memorial Day weekend with Charlotte in front of Harvest Foods and got to spend a delightful two hours with a very caring lady with a dedicated working history in Moses Lake. She will be missed greatly; condolences to her family. Wanda Iverson, Moses Lake, WA
