

Charlotte M. Heaverlo

February 7, 1923 - December 28, 2008

Charlotte Sabina Heaverlo was born on February 7, 1923, in Hague, North Dakota. She was the daughter of Joe and Johanna Miller. Our mom finally crossed the finish line on December 28, 2008, after many years living in the Columbia Basin and Kittitas Valley. Charlotte enjoyed golfing, bowling, playing bridge, canning tomatoes, traveling with her friends, and spending time with her family. She also enjoyed watching baseball and football games, horse racing, and other sporting events.

She's finally reunited with her husband, Bill, sons Jeff and Monte, daughters Judy and Linda, her parents, and siblings. She left behind a multitude of family members and friends, far too many to mention, but you know who you are and how much you meant to her. As per her request, there will be no funeral, but the next time someone orders an Irish Bushmills Whiskey, please think of her. Coming down the home stretch, numerous people have helped to cheer her on the various furlongs. Therefore, we'd like to give a special thanks to the following: Moses Lake EMT's, Fire and Police Departments, Emergency Room Personnel at Samaritan Hospital, Doctors Dan Canfield, John Wheaton, Michael Graham and staff, Sacred Heart's Medical Center's Cardiac Unit, Monroe House and SunBridge Staffs, Christian O'Shea and PT staff, Pioneer Medical Center Pharmacy, and many other friends and acquaintances that supported her along the way. In lieu of any gifts or flowers, we suggest donations to either the Moses Lake Fire or Police Departments, as Charlotte truly appreciated all they did for her.

“ *What a joy it was to know Charlotte Heaverlo. She always made me laugh and my meetings with Charlotte were always the highlight of my day. She was frank, honest, "street smart" and I could always count on her telling me exactly what she was thinking on any issue. I miss her...I was blessed to know her and I will always remember her.*###imported-begin###Rick Honsowetz###imported-end##

“ *One of a kind that Charlotte. She was a real treat to know. When she was in to see me at Sunbridge, it was fair to say her bones may have been broken but that sence of humor was always intact! "A bloody good sort" the Aussies would say. Obviously she'll be missed, but what a great innings she had and you all must have many many wonderful memories. Our condolences and best wishes to you all. The O'Shea family.*###imported-begin###Christian O'Shea Family###imported-end##

“ I only knew Charlotte for a little over 12 years, but I was lucky to know her well. We spent a lot of time talking and laughing together and even had an occasional cry together. These past few year she missed golfing, driving her own car and shopping(especially for a good cut of meat). But she still enjoyed playing cards, visiting with friends, instructing Dave and I on how to can tomatoes, watching ballgames on t.v., and most recently talking about and visiting with her newest great grandchildren, Molly Mae and Kolten. Dave, his three boys, and I can't begin to adequately thank all of you who had touched her life and are currently touching ours. We'll have a celebration of her life in late spring, with the warmer wearther. God bless you, Peggy##imported-begin##Peggy McNutt##imported-end##

“ Dave & family - So sorry to hear about Charlotte's passing. We met her when she was at Sunbridge Care & Rehab where my daughter resides. She was so funny and I enjoyed the few visits we had. You never quite knew what she was going to say and now I know where Dave gets his sense of humor. She will surely keep them on their toes up above! Take care. “ Dave, Peggy, Jeff and family;
Charlotte was an absolutely amazing woman. Her humor and spunky attitude, along with her distaste for political correction endeared her to me. I think of her as Auntie Mame. Whenever I talked with her at Monroe house she was lively, honest and a hoot to be with. She was a carrier of sunshine and I am a better person for having known her. I hope your future days are filled with memories of stories, adventures, and misadventures with Charlotte. May the Lord bless you.
