“ *Very sad to see this. Her faith was strong, she is with the Lord and
her babies for sure. Cheryl was never afraid to just say that exactly
what was on her mind and had a great sense of humor. She had a
way of stating things very eloquently!*

“ Cheryl and my mother (April) were more than best friends, they were sisters. They loved each other's families as their own and shared a special kinship that many never find. Cheryl was known to my own children as Grandma Cheryl. She shared my avid interest in reading and always passed down her books (usually in 30 gallon yard bags...hehe). We are so grateful to have become a part of her life and family and will miss her for the rest of ours.

“ My deepest condolences to the Andrews family. Cheryl was a very understanding and compassionate friend. She was always there to listen to my problems. She and her family lived next door to our family for 40 years and was always there to lend an ear. You will be deeply missed.
