“ So very sad to hear about Cheryl. I met her when she came to Spencer for about a year in high school. Even though she was the new girl, everybody immediately loved her! She just had that special kind of personality that drew you to her. She always made me laugh and she always had something interesting to talk about. I lost touch with her for awhile after she left Spencer, but when we got back in touch, it was like we had seen each other yesterday. We were surprised to realize we had named our daughters almost the same name. Hers Kyeleigh and mine Kayleigh. I am sure when I say this, everyone will agree that Cheryl made an impact on everyone she met. She was a special lady with a special gift. I will never forget her, and will always think of her with a smile and lots of love.##imported-begin##Kelley Hite##imported-end##

“ I didn't know Cheryl well in school, and did not keep up with her after school was over, although i do have some memories of her and they are all good ones...
But the loss of any of my peers always saddens me. Especially the ones whom I have lost contact with. I feel that my life could have been richer, if only I had kept in touch.
My prayers go out to her family and friends in their time of need....

But Cheryl, I am sure, is in Heaven now and has been unburdened of all her mortal worries and pains. So I am sure that she is happy now, to be living in the house of the Lord.
And her Family and Friends will be reunited with her one day.##imported-begin##Karl Lee Sloan##imported-end##

“ I am truly at a loss for words. I just heard of Cheryl's passing and I cannot believe it is true. I met Cheryl at Spencer High School where she blessed us with her charismatic self for one school year. I had lost contact with her recently but just a week ago I emailed her to see if things were going OK and now I know why I got no response. I pray for peace for the family, especially her children, and I know she is in a better place. I cherished her as a friend, even though we had not seen each other for 20 plus years and I am so sad that I will never have a chance to see her again. If anyone is able to tell me what happened with her I would greatly appreciate knowing. I will pray for the family and may God bless each and every one of you. I love you Cheryl! RIP

“ Mother...I miss you so much, I just really wish I could of seen you sooner...I was planning on it too, just days before I heard... You were the best mother anyone could ask for, and even more. Despite our many struggles we've had, we made it through the stormy weather. You always showed love, unconditionally. In a way, my minds sort of a ease for you, because I KNOW your in a better place, and don't have to deal with the day in and day out pain. I cant wait to be with you again, I have so many memories...and I'm looking back on the GOOD! You not only were a good mother, but you loved to help people, and I'm following in your footsteps. I love you, so much....##imported-begin##Kyeleigh Dunmire##imported-end##

“ I was hanging out with her the day of OJ's car chase. I always think of her when I here anything about that. I have not seen her in years as time got away from us both. But she often flashed through my head. She had such a pretty family. I also spent time with her at church. I have not seen or heard of her or her family since the early 90's. I was hoping to rekindle that relationship again maybe in heaven Cheryl! Go with God my friend.##imported-begin##Tammy and Richard Brinkley##imported-end##

“ My eyes filled up with tears as I heard the news
It never occurred to me, how much I could lose
I find myself wishing that it wasn't real
Every time I think about it, pain is all I can feel
Tears fall from my eyes, I can barely see
But my heart tells me that she'll always be with us I'm glad she feels
no pain now-she lives in a perfect land

I lie in bed and cry at night
And I don't feel any better in the morning light
And I will love and miss her forever
Until the day we are again meet up.
Together in that perfect place above,
Filled with caring, sharing and love
But until that day comes- I will wipe my tears away.
And hopefully see her again someday

I know we haven't seen each other since we were kids but we still
carried that family bond.
then that bond has been moved to heaven and I know you are safe
with our uncle Rocky he will guide you home and show you the
ropes. Cheryl we will miss you and will always love you. please help
watch over us until we see you again.

“ Cheryl made me an Aunt for the first time, I was in Key West when she was born. As the years went on and miles seperated the family, I remember talking to Cheryl on the phone and we were very close when she was younger. Time and miles can seperate the body but never the heart and sole. I loved her for the 43 years on this earth and will love her until we meet again in our fathers home.##imported-begin##Sandra Thomas##imported-end##

“ Cheryl and I became friends in recovery, years ago, when our boys were little. We worked together for seven years at KCR and she was one of my closest friends for years. There are no words to describe the kind of loss this brings...my only comfort is knowing she is with God. I love you Cheryl.##imported-begin##Valerie Prerost##imported-end##

“ I had the pleasure of meeting and getting to know Cheryl when we attended AmeriCorps together. She became one of my closest friend. We worked together for over seven years at Kitsap Community Resorces. We were also neighbors for over 5yrs. When she moved to Moses Lake I was devastated. She was a mentor, my guardian angel. She taught me so much about the word of God and how to try and be the best mother I can be. She was an amazing beautiful person and I will miss her so very much. My heart goes out to her children and family and friends who were touched by Cheryl's lovable spirit! May she rest in peace with no more pain! I love you Cheryl, wish we had that last dinner. I will cherish all our memories we shared and all the fun summers at the lake. It won't be the same this summer! I will never forget you!###imported-begin##Sharlet Aaland###imported-end##

“ Cheryl and I became acquainted about 12 years ago when I first moved to the Bremerton area. She welcomed me into her circle of friends and we quickly became friends. Her son and I were "buddies" and spent countless hours together when he was younger. Think I gave Robert his first Mohawk! Cheryl and I also share the same birthday and even though we lost contact from time to time over the years I still thought of and contacted her every time the 20th of September rolled around. Cheryl was a great mother and friend and she will always hold a special place in my heart. I love you Cheryl and I will always make myself available to help your children in any way I can.
