“ I recently heard about Cheryl's passing and am very sorry to hear she is no longer with us. I knew Cheryl many, many years ago when she was a consultant for a pension company where I worked. She was one in a million and will be missed. Blessings to her family and friends. Rest in peace, Cheryl.

“ Grandma, Robert Wayne and family...and all Cheryl's many friend.....so sorry for your loss, but know as i do that Cheryl went peacefully and that she was happy.

Forever the people person she made friends with all she came into contact with even in her short time here in moses lake. She loved astrology and long long talks about everything. Cheryl was super smart and always thinking. Her journey to Moses Lake actually prompted many extra visits and phone calls with friends and family and thats really such a blessing now! She truly cherished the new Sunday tradition of visits with Grayson Grandma and Wayne....and the way the whole day played out as planned. She always had a close bond with Robert and she truly loved her new role as aunt to ALL the kids. I'm sure she was joyfully greeted on her angelic journey by her much missed brother Daryll, father, nanna and grandpa and her friends that left before her. I will cherish my most recent outing with cheryl as it was a great laverne and shirley type adventure.....and i will not feel sad that she is gone but feel peace in knowing she's simply gone back to Cali!! 😎
