“ My condolences for the loss of your mother. Cheryl and I palled around in h.s.and met (okay picked up) our future hubbies in a bowling alley one Friday night.

Cheryl and Glen were our witnesses when Chuck and I married. I have photos of them at our wedding, plus later photos of the family when they visited us in CA in 1960's. Would be glad to share if you send me an e-mail.

“ I met Cheryl many years ago when my family lived in the same neighborhood of Dairy Queen, she was the manager then. I frequently took my kids there for treats and in 1996 I started working there. I worked with Cheryl for a long time, until her retirement. She was a wonderful and genuinely nice person. Always cheerful and even up for some pranks once in a while. She made work fun. One year for halloween she dressed up in a cow costume for work. She was a great person to work with. I continued working there with her daughter June in the kitchen until I moved away from Moses Lake at the beginning of 2008. I'm saddened to hear about Cheryl's passing but she is in heaven now and no longer in any pain. My daughter Steffanie and I send our heartfelt condolences to all of Cheryl's family.##imported-begin##Siggy Mueller##imported-end##
