In 1986, Chris married the love of his life, Paula. Chris and Paula went on to have four kids in John, Nicholas, Stephanie, and Alysha. “ Chris, You will be greatly missed. You are a good man. I remember in the 1980's when you & I professionally as a fry plant @ Carnation & a Box plant @ Western Kraft, changed & highly automated the packaging line with case erectors & case packers to move the plant to the the next level . You & I helped break the Wendys / MacDonalds accounts.
Truly beyond our times.
Just wish you had spent more time working with your wonderful sons baseball skills. Sorry John & Nick.
Just this spring I called you of the metal frame in the lake just East of the fill. You drove by & observed... got your crew out to remove the many year low water site. I called to thank you & you said no problem "just taking care of the lake"
Truly a family & community man. Best, Tiena-Jon-Sydney-Patrick Anderson
