“ *Cindy had a wonderful personality and a great sense of humor. My son was lucky enough to have her as his kindergarten and 2nd grade teacher. She was a gracious lady that will be sorely missed.*

“ *Cindy was smiles and artistry personified. She was a positive light on all who knew her with a kind strong soul. The world has an emptiness where genuine caring used to be. I will remember her every time I see an owl. RIP sweet lady.*

“ *Cindy was my first friend, my best friend, my special friend. We grew up together. We shared so much. We were so much alike in so many ways. I will miss her more than words can describe. There wasn't a day that went by that we didn't communicate in some form. I love you Cindy forever. A piece of my heart died with you. You will always be apart of my heart and soul. I love you.*

“ *Cindy was one the sweetest people you could ever meet. We shared a locker from 7th grade to 11th grade - she was everybody's friend. I will miss her presence - her good cheer in the face of her pain. I take solace in the fact that she rests pain free now, otherwise my heart will remain heartbroken.*

“ *I worked with Cindy at Garden Heights, she was always a kind, sweet and gentle soul. We build a friendship through our kid's school career- seeing each other at all the events. The remainder of the kid's school Years will seem sad without that sweet kid face. Going to miss you.*

“ Cindy was a special friend to me. Although we only met a few years ago, we were able to develop a close friendship during that time. We had lots of fun little road trips to Leavenworth & Spokane, browsing antique shops and laughing all the way. We spent many hours together planning & co-leading a women's bible study called "GALS". Her home was always so warm and welcoming! She came to church almost every Sunday, no matter how she was feeling and she always brought a smile. Alaynna & Jessica are wonderful girls and Cindy loved them more than anything. I prayed for Cindy a lot and I know that she is now pain-free. I want to express my deepest sympathy to Cindy's family, her beautiful daughters and all of the friends who loved her. Cindy I will love and miss you always!!
