

## Cindy Fish

July 17, 2022

Cindy Fish, our loving mother, grandma and sister, lost her battle against pancreatic cancer on 7/17/2022. Cindy was tougher than nails and had a heart of gold. She was truly one of a kind. She loved animals, music, dancing, the ocean, old cars, diet coke, big hair “the poof”, as we called it, and her family. There were not many dishes that Cindy cooked well, but she was known for her three signature dishes; spaghetti, meatloaf and lasagna. Cindy shopped for Christmas all year long and Christmastime was her favorite time of year. Giving truly brought her joy. She always put everyone else before herself. Her kind soul and loving nature will never be forgotten.

Please join us in celebrating the life of Cindy Fish on Thursday, July 28th, 2022 at 3:00 p.m. at Guarding Angels Cemetery located at 2595 Road L N.E., Moses Lake, WA, 98837

“ *My deepest sympathies to Cindy's family. I have so many great childhood memories of Cindy and going to her house when I was visiting my grandma who lived across the street. She was such a great light in this world and will be missed dearly.*

“ Cindy was my sister and lifelong friend. She was a pillar of strength with the kindest heart.

We went through many of life's good and bad times together and as the years passed we became even closer, talking about life in general. She loved her family more than anything and they were often her topic of conversation.

Cindy had a great sense of humor so there was always plenty of laughter between us.

She was the most courageous person I've ever known. She faced the reality of her diagnosis with unrelenting strength and dignity.

She continued to make jokes and laugh trying to put others at ease.

The courage she showed to the end of her life was amazing.

I will think of Cindy everyday of my life . She was a beautiful woman with such a loving heart.

i will love and miss her forever.

*Robby,*

*Our sincerest condolences go out to you and the rest of the family. I was only 3 months old in 1958 when we moved next door to you and your family. Our parents became best friends @ that time and remained that until each of them passed. We as you know were all like family going camping, boating, hunting and whatever else came along. I will always remember Cindy for her friendly attitude towards others and most of all her natural skill for slalom skiing in the lake. Cindy will be gratefully missed. May she rest in peace!*
