“ To Danny and Donna; we were so saddened to hear that Cleta had passed away; I have many sweet memories of her and her many visits back here to Missouri; there is one that is very special to me: when the volcano erupted out there she put some of the ash in a jar and bought it back to Missouri with her and gave it to my youngest son, Scott, who was probably about 5 at the time; he treasured that little jar of ash for many years; Cleta was so loving and warm and always made me feel like a special part of the "Nichols" family; love you guys

*Hello cousins. I can certainly remember your mom's face and have fond memories. I remember that you all came to our home in Raytown, and I'm sure you came to Goodman and I saw you there. This family is a special bunch and we are dwindling down. Loosing Lola and Cleta both this year is too much. I hope you will cherish the good things this Christmas. Merry Christmas to William Jesse and Mary Nichols (Ma and Pa Nic) and ALL of their Children.*
