“ I love Cliff and Karin and their family. I was so inspired by Cliff's relentlessly upbeat attitude through all of his recent trials and illness. I also admire his willingness to turn his life over to the Man upstairs. When I pass I hope I conduct myself like he has.

“ For Karin and All of Cliff's Family,

All of us at Columbia Basin Cancer Foundation were so very sorry to hear of Cliff's passing....He fought his battle with such courage and determination! He was such an inspiration for us all, and we will miss very much his smile, and his generosity of spirit! He was always cheerful and upbeat, and always cared so much about how everybody ELSE was doing.

Cliff helped us at the Foundation by giving us his precious walking sticks, so lovingly made, so that we could sell them at our fundraising auctions, and he helped by getting the word out about what we do here to help generate donations. He did whatever he could do for us, and for that we are very grateful to him.

I hope it is some comfort for you that Cliff has no more pain, and doesn't have to struggle anymore.

Keeping you all in our thoughts and prayers!

I don't think my Dad really knew what you were all about until he needed your help. He was very reluctant to accept any sort of charity. Everything you did for him and our family will forever be appreciated. He took great pride in being able to help in any way he could, and being a part of the cancer foundation community. From our family, and on behalf of my Dad, Cliff, thank you.
