

Cody S. De Trolio

June 30, 1997 - June 13, 2015

Cody S. DeTrolio, 17, a lifelong Moses Lake resident passed away late Friday night as a result of a car accident.

Cody was born in Moses Lake Washington to Eric and Kris De Trolio on June 30, 1997. He was their only child. The Lord called him home in the early morning hours of June 13, 2015 after a car accident.

He was named after his great grandpa Sam Kasperek who was an old time cowboy from South Dakota. Cody grew up on a small farm between Moses Lake and Warden, Washington, where he and his parents raise hay, cattle and horses. Cody went to school in Warden where he just completed his junior year and also his first year of Running Start at Big Bend Community College. Cody loved animals and had numerous pets, if you asked him if he had a favorite horse he would probably say he loved them all. He was a very active member of the O'Sullivan Stockman 4-H Club where he served in leadership and raised and showed steers. He was also a member of the Warden FFA serving on the leadership team as reporter, participating in raising and showing steers and being a straight shooter on the trap shooting team. Cody was a member of the Wintergrass Bluegrass Festival YATT and the Eastern Washington Junior Rodeo Association. On the rodeo circuit he tried his hand at several events and had found his place in the team roping and chute doggin events. Junior rodeo was a big part of Cody's life; he and his family traveled all over the state participating.

One of the highlights of Cody's year was attending the Diamond J Cowboy

Ministries Rodeo Camp each summer. He saved money throughout the year to help pay for camp and could hardly contain himself as it grew near.

Several years ago Cody took up the guitar and became very accomplished at it. He enjoyed jamming with friends and at family gatherings playing alongside his Uncle Buck. Anyone who knew Cody knows he loved all kinds of music with few exceptions.

Cody looked forward to fall and deer hunting season with his dad and maybe a family friend or two. Bagging a deer wasn't near as important to Cody as the time he got to spend with his dad. He also enjoyed fishing with his dad and occasionally with his uncle and grandpa.

People were important to him and he loved family and friends, but no one was more important to him than his dad and mom. He was a beautiful soul and everyone he touched is better for knowing him. Cody was a cowboy through and through. He will be painfully missed and joyfully remember as the tender-hearted bear-hugging cowboy.

Cody was preceded in death by his grandmothers, Carolyn Lawson and Audrey Ginter and his great-grandparents, Sam and Viola Kasperek and Charles and Lucille Francis.

He is survived by: his parents, Eric and Kris De Trolio; his grandparents, Frank Sr/Charlene De Trolio, Curly/Tex Francis, Ed Ginter/Melinda Lyles and Vern/Jo Ann Hesslink; his uncles/aunts, Buck/Tovi Naff, David De Trolio, Mike/Kim De Trolio, Frank De Trolio Jr/Chris Beck; and several cousins, Tomi, Kasi, Dustin, Adilyn, Michael, Briana, Xaiden, Kade, Jared, Esther, Beckam, Wyatt, Ethan, Morgan, Justin, Jocelan, Dakota, Dylan, Keicia, Angalee, Rodolfo, Shay, Ayva, Cameron, Makenzie, Justin, Jaxson, Bella and Braydn.

A viewing will be Thursday, June 18, 2015, from 2:00-7:00pm at Kayser's Chapel of Memories. A Celebration of Cody's life will be held at 1 p.m., Friday, June 19, 2015, at the Warden High School gym. Burial will follow at Sunset Memorial Gardens. The family invites everyone back to Warden High School cafeteria for a reception. Food items welcome.

In lieu of flowers, donations can be made to one of three associations:

FFA/PAWS - deposits can be made at any Washington Trust Bank under the Parents Advocating for Warden Schools' savings account in benefit of FFA/Cody De Trolio.

“ *Eric and Kris, our thoughts and prayers are with you. Our hearts hurt when we received the news of Cody's passing. Our community produces some pretty outstanding young people, and Cody was one of finest. Cody was a smart, talented, and all around great young man. He was a good friend to our boys, an excellent role model, and a real tribute to you as parents in raising such a great kid! He will be greatly missed, but will live in our hearts forever.*

“ I miss you so much already Cody. You weren't supposed to leave like this.

A memory I have with Cody:

Cody found out I suffered from depression in 8th grade (I think that's when he found out.) One day at lunch Cody walked up to me and hugged me and said "Life goes on. You're gonna be okay. You just have to be strong. You don't have to hurt yourself anymore. Life will get better I promise." For 3 weeks Cody would hug me and tell me to be strong. Nobody at school had ever done that for me. Cody was and always will be, one of the greats.

Cody, when I get up there you better play me a song on your guitar Mr!! :)

Kris and Eric, I am so sorry for your loss. No parent should have to out live their child. You guys will definitely be in my prayers this week. You raised an amazing kid and a great friend.

Cody will be missed. He was an amazing young man. I loved teaching him social Studies in the 8th grade. He could pose questions about the Constitution and the Bill of Rights that would just make you go, "Hmm, that's a good point!" He was also very creative and I will never forget the day he sang the Preamble in class. My love and prayers go out to his family. I hope all the wonderful things all these wonderful people are saying about Cody bring you comfort some day. Cody was truly an amazing young man.

The De Trolio family is a close tight knit family, which is wonderful, and at times like this, hard. I spent some time this past weekend reading Cody's facebook page. What an extraordinary young man. “ This is one of the hardest losses I have ever experienced and it has been rough imagining what everyone has been feeling. But Cody was one of those friends that was always there to make everyone smile and feel good about themselves. He ways had a smile and a good remark to make you feel amazing about yourself. He truly made me smile with every post in social media of his that I saw. He was genuine and a true angel through and through. I have known him since back before I can even remember because of growing up with him and being around his family. Growing up near him was a joyful experience. He was like a little brother and best friend to me and even though we grew apart as we got older, everytime we saw each other it was like nothing had changed. FFA events, fair and rodeos were always an amazing time when he was there. Now they will never be the same. He was also one of the best musicians I have ever heard. I hope our Lord and his angels are enjoying the beautiful music you are playing for them up there! You go Cowboy! I'll see you when I get up there bud. I will eternally love and miss you Cody.
