

## Cody Joe Spicer

August 19, 1985 - March 21, 2025

Cody Joe Spicer was born on August 19th, 1985, to Lisa McCurty and Bill Spicer in Moses Lake, WA. He had one sibling, his little sister, Katrina Ball. Cody grew up in Moses Lake, graduating from the Moses Lake High School in 2003. Cody excelled in so much throughout his education; he was a part of the Science Olympiad team, Math Counts, Auto Technician, and many spelling bees.

In April of 2011, Cody welcomed his son into this world, Tanner J. Spicer. Tanner was Cody's biggest blessing and pride of his life. Even when Cody didn't have much, he always had a picture of his son nearby. His love for Tanner never wavered.

Cody loved being outdoors, which was where he enjoyed his favorite hobby, fishing. Cody had a lifelong love of the sport of fishing, and he fished anywhere he lived. He loved the Columbia Basin for this reason, there was always a place to throw in a line. Fishing brought him much joy in life. Cody also enjoyed playing Tennis whenever he could find a partner he would want to get on the court.

Cody had some experience working in restaurants in both North Dakota and Moses Lake, however he seemed to find his most enjoyment working outside in the construction and roofing trades. Cody excelled at roofing and took great pride in his quality of work on every project.

Cody faced many struggles over his lifetime with addiction. He fought hard for many years trying to overcome this, and he faced his battles with courage. In

honor of Cody the family would like to encourage open conversation on this topic of addiction and mental health to help others with their healing process. Everyone deserves compassion. Cody will be remembered for his fight in his recovery process. Cody was more than an addiction. He was a beloved Son, Brother, Father and Friend to many.

Cody is survived by his son, Tanner Spicer; his mother, Lisa McCurty (husband Anthony McCurty); his father Bill Spicer (wife Tracy Spicer); his sister Katrina Ball (husband Jason Ball); nephew, Wilder Ball, his grandfather, Tom Warfield and many cousins, aunts, uncles and friends.

Cody is preceded in death by his maternal grandmother Ruth Warfield and his paternal grandparents, Robert Spicer, Patsy Hornback

“ Even though we weren't blood relatives Cody was and forever will be my little brother. We had our ups and downs like any siblings do but we had so much fun playing outside. His favorite thing to do with myself and Tim was play baseball in front of the house in the street. I am grateful for the time I got to spend with Cody. I remember when he found out he was going to be a dad he was so excited to tell everyone and I was happy for him because I knew he had found a joy that nobody could take from him. May he rest in peace. Love you Cody Joe

“ When I remember my cousin Cody , I remember a chill, kind, warm-hearted boy sharing his video games with me and teaching me to play sonic the hedgehog on his sega genesis . Although we would not remain close throughout our adult years , I always got a warm hello with his cheesy smile . Rest in peace Cody ... you will be missed!

“ I did not know Cody, i know his father Bill though. Whenever Bill talked about Cody his words were filled with hope. Addiction does not measure who a person is, experiences do. There are a ton of good experiences that people got to experience with Cody and for those things he will be remembered. I am saddened that my friend, my brother-in-law Bill has lost his son. And on the flipside of that, I am happy that Cody no longer has to deal with the demons and battles of addiction. May he rest in peace now.
