“ I love my grandma with all my heart & I miss you! We haven't been a family since you've left us. Forgive Us GG!

“ Roy, Colleen was one of a kind, friendly, generous, funny, and just plain nice. I can't imagine what this must be like for you. Just remember we love you like crazy. Think about coming and spending some time with us when you're ready. I just said to Dale this morning as we were leaving Cumberland--that garage sure could use Roy's touch.##imported-begin##Sue Irwin Schroeder##imported-end##

“ To Uncle Roy, Brad, Kristen, and Colleen's family:

My heart goes out to all of you. Colleen was a very special, loving person, and I will treasure the memories I have of time spent with her.

I keep a picture of the view from your cabin on my desk (as well as those ostriches you raised for a while, Roy).

Much love, strength, and sympathy to you all,##imported-begin##Shannon Schroeder-Six##imported-end##

“ We send our sympathy to Roy and all of Colleen's family. As each of you know she was a special lady...a friend to all at Hanson Harbor. She truly will be missed. Those special times of visiting as she was walking by and of course all the help with any of our tree or plant problems. “ Dear Roy:

How very sorry we are to hear of the loss of Colleen. Please know we are thinking of you as you face this difficult time. We will always cherish the times we spent with you and Colleen both in Washington and here in Cumberland. And of course you go way back with us to school days. And, that relationship we have with you does not end now. You will always be welcome at our home anytime you wish to come. And, I am sure we will travel to Washington State again. Please extend our sympathy to Brad and Kristin. How fortunate we are to have loving children in such times as these. Stay close to them and soak up that love they have for you. Take care of yourself, Roy. I am sure we will talk soon. Call us when the time is right for you.
