“ Jim and I have been worrying about how Connie was doing and would often think of her while driving to or from Moses Lake. I was always hoping to meet her again in Moses Lake, perhaps at Kentucky Fried as I did one time before by accident when we stopped there.
We are so sorry for the loss of your daughter and sister and mother.

“ My best memory of Connie was all of our thought provoking phone calls with each other and how we could make each other laugh. I miss my friend so much and my heart breaks for all of Connie's family.
