

Constance Arlene Lindell

October 2, 1926 - January 27, 2024

Constance Arlene (Nelson) Lindell 97

Constance Arlene Lindell was born in Rathdrum, Idaho on 2 October 1926.

Passed quietly on 27 January 2024.

Known as Arlene by the Nelson side of the family and Connie by everyone else, she grew up in Rathdrum with one younger sister, Virginia, the daughters of Bernard and Constance Louise Nelson

Connie went to nursing school at the University of Oregon Health Science Center in Portland. She served in the Cadet Nurse Corps during WWII and after as a surgical nurse at U of O hospital where she met Ernest V. Lindell, a dental student. They were married in 1950. The marriage lasted 3 weeks short of their 60th anniversary before he passed in 2010.

They moved to Moses Lake in 1953 where they raised four children and were active in many community projects and activities.

She is survived by her four children: Constance Marie Lindell (Robert Arnold), Kathleen A. Lindell, Ernest Brian Lindell (Susan), and Bruce A. Lindell; four grandchildren: Nichole, Kirsten, Lauren and Saige and eight nieces and nephews with their families.

In lieu of flowers, the family suggests donations to Tunnel of Towers or Wounded Warriors Foundations in her memory, two of her regular charitable donation sites. Or a charity of your choice.
