“ I am so sorry to hear of Corie's passing. Having been in contact with every now and then, I was shocked to find out that she had passed away upon a Birthday card I had sent her had been returned. Even though we were not close, we did share many long, late night conversations on the phone. It was always my intention to visit her in Moses Lake. We both shared our genealogy finds on Ancestry.com and always corresponded when found some exciting tidbit about this person or that person! I will always feel a lost opportunity to meet her in person! My sincere condolences to the family and if possible, would like any one of you to contact me! May you Rest in Peace Corie as I know you didn't have the easiest of lives. Love you!
