“ I’m so sorry for the loss of Connie—she was quite a lady. Connie and I were in the same high school class, not close, but a friend that always had time to visit and catch up with what was happening in our lives. May God comfort the family and fun memories bring a smile to you all.

“ My very deepest sympathies to all of Connie's family and loved ones. She was a good soul and a fun member of our pinochle and bunco groups. Over the years, we played a lot of cards and shook a lot of dice in her home, which she graciously provided as a place for us to gather. I will miss her very much. Rest in peace, my friend.

“ Connie and I go back more than 40 years..
Lyle and Connie, Mike and LaDawn Garwood,
Ed and Paula Cuda and my husband "Red"
and I have traveled together, played cards
together, you name it, we probably did it.

Connie was always someone you could count on. It is so hard
to lose a good friend. Now she is in heaven with Lyle and no
longer suffering. Love you Connie.

A friend always, Mary Kile
