“ I'll never forget when I went out to California and I got to meet my dad & Trudy, my brother(Craig), my sisters(Kathy) Alice and Rebecca. I'll treasure that visit in my memory forever. I didn't know then that I was gaining such a loving family and such a gentle loving father and brother. From that day forward my daddy called me all the time and never missed a birthday. I love you Daddy may you rest in peace and I know that you watching down on us your loving daughter, Bonnie.

“ Gabriel and I visited Grandpa last May. Grandpa had so much fun playing with Gabriel. He kept getting up and taking the truck Gabriel was playing with (he was teasing and being playful as always). I could see how much he loved Gabriel and enjoyed playing with him. He loved all his grandkids and great-grandkids. I wish we could have visited him more.
