“ Cristina’s smile was Contagious and Inspiring – her infectious energy uplifting to those she held close to her heart. She was a beautiful poet and artist who often underestimated the power of her gifts.

As stated by Leo Buscaglia, “Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around”.

Your laugh, smile and dance are missed here Cristina; but you are now dancing with the angels, and that is the way that I will keep your memory with me.##imported-begin##Sheila##imported-end##
