“ My mom and I lived to go visit Cruz when my mom would visit from San Diego. They are both gone to be with the Lord within one year span from each other's death. This year has been especially hard for the Pichardo family with the loss of Celia in January. I miss her smile and the sweet person she was. Her momma was just like Celia, those are qualities which will always bring them to the memories I hold of both of them. Our prayers and thoughts are with all the Pichardo family, especially today as you lay her to rest. God bless you all. 😭

Señora Cruz, yo no la conocí como mis hermanas pero la conocí de platicas de su hijo Danny y mis hermanas, siempre historias bonitas y a veces chistosas. Ahora usted descansa en paz junto con su seres queridos.
