Tribute Wall

“ Cynthia was always a warm and thoughtful friend throughout our years together. I will always remember her as sweet Cindy Gillies, who waited for me after homeroom to show me to my first class on my first day in 9th grade. Coming from St. Bridgett's Catholic School, I felt somewhat lost and Cindy helped get me settled in. Her kindness and generous spirit helped to seal a friendship between us that lasted throughout high school and well into our adult lives. Living in different states kept us apart for many years, but we reconnected at our 40th high school reunion with lots of fond memories. Rest in peace, my dear dear friend.

Cindy Gillis (and her first husband Johnny Watkins) were such dear friends of Diana and mine. Will never forget those road trips to Ball State University with Johnny's parents to visit them and even was a Godmother to their first born, Johnny Todd. Enjoyed hearing and watching Cindy perform with her "Sweet Adeline's". She had such a lovely voice--so befitting of such a lovely lady. A Hobart Brickie treasure! RIP Cindy, and thanks for such wonderful memories. Love, Donna Glad Blythe,MD. Coral Gables, Florida

“*Brief life is here our portion, brief sorrow, short lived care;
The life that knows no ending, the tearless life, is there.
O happy retribution! Short toil, eternal rest;
For mortals and for sinners, a mansion with the blest.*

“ Cindy was a friend we met through Via de Cristo. We were in a group that met once a week for dinner and sharing. She was a special lady that spoke lovingly about her children and grandchildren. God's Peace. Friend.

“ *Cindy was truly a good friend. She also helped care for my elderly father when I was out of town. He loved her cooking! One time she gave him his medications and went to check his dinner. He gave his meds to the dog and he took the dogs! This resulted in a trip to the ER where he informed them he was fine since he wasn't barking. They were less than amused!* ”

A dear friend for many years! Cindy was always available to come to my house and care for my aged father when I was out of town. He loved her cooking. One day she gave Dad his medications to take and left to check what she was cooking. Daddy took the dogs medications and gave the dogs his. This resulted in a trip to the ER. He was fine and told the staff that he was fine and had not barked once! They were not amused!
