

Cynthia K. "Cindy" Freeman

August 25, 1943 - June 24, 2011

Long time Moses Lake resident, Cynthia "Cindy" Freeman passed away at her home in Ridgefield WA. June 24, 2011. Cindy was born in Caldwell, Idaho, August 25, 1948. Soon after, her family moved from Idaho to Moses Lake, WA, where her father and mother started A&W Feedlot.

Cindy had a life long love affair with the ranch, and riding horses. She was crowned the 1965 Columbia Basin Round-Up Rodeo Queen. Later on she worked as a 4-H mom and volunteer in the Grant/Adam Counties 4-H horse program.

In the last eight years of her life, her energies and love of living were directed toward her grand children. Reading to, playing with, and just being "Ninni" to granddaughters, Mackenzie, Alyssa, and Hannah Dewey brought great joy to Cindy. Only those three little girls could cause her to leave her beloved Moses Lake for Ridgefield in 2007. Cindy was known and loved by many because she took time to listen. She never met a stranger.

Cindy was preceded in death by her parents, Allen and Wilma Sircin, her niece Angela Watson Russell, and brother-in-law Michael Heath, all of Moses Lake. She is survived by her loving husband, Pat Freeman, daughter Nicole Newton Dewey and husband Jason , grandchildren Mackenzie, Alyssa, and Hannah Dewey all of Ridgefield, WA. Her older sister, Trudy Watson and husband Dick, younger sister Vickie Heath, also of Moses Lake. Nieces Lori Watson and Hailey Heath: nephews Andrew Heath, Andrew and Mathew Freeman and also special friend Edda Sievers and family.

Cindy touched the lives of many and will be missed by all who knew her. Friends and family are invited to a memorial service and celebration of her life on July 2, 2011 at 11:00am at Kayser's Chapel of Memories in Moses Lake, WA. Please sign the book or leave a note for the family at www.kayserschapel.com If you wish to make a remembrance, in lieu of flowers donations can be made to Moses Lake Junior Rodeo Club PO Box 1592, Moses Lake, WA 98837 or Grant-Adams 4-H Leaders Council c/o Diane Russo PO Box 37, Ephrata, WA 98823.

“ *Dear Pat and Family,*

We just learned of Cindy's passing. We loved Cindy's sense of humor, warmth, openness, and admired her independent spirit. A true cowgirl.

Our prayers are with you all.

“ Dear Butch,

Nancy and I were both shocked and saddened by the news of Cindy's passing.

We are grateful that last summer we had the opportunity to spend time with you both. Cindy was such a wonderful "personality" and just as sweet as anybody could be.

Our hearts are broken for you and your family. Nicki, Jason, Mackenzie, Alyssa, Hannah and especially you dear friend are in our daily thoughts and prayers. Ciindy will be greatly missed.

She left you old pal, but not alone. She left behind a wonderful family for you to use as a source of strength, consolation, and joy as you move forward. And move forward you must, however difficult it will be.

Our thoughts and prayers are with you and your family.

*Love,

“ Dear Nikkie-Jo,

We are so sorry for your loss of your dear Mother. We were very close to your Mom for a few years when you were just 5-6 yrs old. She had begun a walk with God in those years. She was a caring person, and loved you so much. We will miss her too.##imported-begin##Dale & Cindy Good##imported-end##

“ Pat, Vickie, Nicki and family,
My goodness, what a shock it was when I was reading the paper to see if my Mom's death notice had been put in the paper, and I read Cindy's. I always loved visiting with Cindy at the feed lot and loved to hear her laugh.
I was always honored when Vickie and Cindy would give me a SOS call to come and french braid horses tails at the fair. When I tell people that I used to do that, they just laugh....
It always brought a smile to my face when I would drive out to the ranch and find Cindy saddling up Pepsi and head out for a ride. I know she will be greatly missed by many people. Please know that I do feel your loss and I will be praying for you and the family in the days to come. Love, Rhonda###imported-begin###Rhonda Rodriguez###imported-end##
