“ Many years ago, Dale and I worked for M & J Construction. At that time, as a young Man, I was so impressed with Dal's Mechanical and Fabrication abilities. 2nd to none. Always a smile, and quick with a little wit. Since those days,we bumped in to each only on occasion, but He always took time to talk for a spell. I know his Family will miss Him greatly.. I know I will,too.##imported-begin##Jimmie D. Anderson##imported-end##

“ Oh I so remember Fish from the Marchand days....Marc had me call him weekly "Dale, you want to come to work?" He would say "No." After about a year of this, he said "Tell Marc I'll be there on Monday". I didn't know who he was when he walked into the office. Then there was the time he "walked" a 666 Koering off Tommer's trailer, I ran up the hill because I thought for sure it would tip over. A nice verbal conversation started between Tommer's driver and Dale..... Say hi to Caroline for us!##imported-begin##Larry & Nancy Tracy##imported-end##

“ Our thoughts are with the family during this time of loss. "Fish" taught me many things while we worked together for Marchand Construction, and I greatly appreciated his willingness to share his talents with me. He will be missed by many.
