

## David Drouhard

May 26, 1954 - March 24, 2014

A good man and true friend to many, David Drouhard, passed away on March 24th at his home in Pasco, WA. His battle against cancer came to a peaceful end with family by his side.

David was born on May 26th, 1954 to Pat and Norb Drouhard in Wellington, Kansas. Making a living farming near Saddle Mountain, WA for nearly 40 years, David made an impact on many he encountered, always doing what he could to help a friend in need and ensure his family was taken care of.

He spent his later years traveling with wife of nearly 40 years, Toni. They would take day trips on his motorcycle, weekends and more in their 5th wheel, and enjoyed vacationing with friends in Mexico. Arizona was a favorite spot to hike and bicycle.

David's memory lives on through his wife, son Robert, daughter Rachael, grand-daughter Aislyn, all his siblings and those good friends that knew him well.

A small memorial service is being held on Saturday, April 26th for family members.

A Celebration of Life gathering is being held Sunday, April 27th for extended

family, friends and well wishers at the JR Ranch Sale Barn at the NE corner of Hatton Road and Highway 17 starting at 3 PM.

In lieu of flowers, please consider a donation to one of the following organizations David supported:

“ When I was in second grade, David in first, on the walk home from our new school in Richland, some kids stopped and began to bully us. Let's just say that David had more fight in him than they did. And for what was right. Always did..

And every time I order potatoes in a restaurant I remember him smiling at me while he asks the staff where the spuds came from and beginning an agricultural tutorial.

“ You can't argue with right and David always seemed to be right - regardless of the topic. I'm going to miss my brother's advise.
