

David W. Hoing

November 29, 1972 - July 15, 2017

David W. Hoing, 44, passed away in Seattle on July 15, 2017. Funeral services will be held at 10 a.m., Saturday, July 22, 2017 at the Intermediate Auditorium - Royal City School. Graveside services will follow at Royal Memorial Gardens. Following the graveside, a reception will be held at the Intermediate School Cafeteria. Please sign the online guestbook or leave a note for the family at www.kayserschapel.com Arrangements are in care of Kayser's Chapel & Crematory.

He was born on November 29, 1972; his parents are Jerry and Betty Hoing. David lived his childhood in Royal City and graduated with honors from the Royal School system. He then attended and graduated from Gonzaga University with a degree in mechanical engineering. His first and continuous job was with an automation tech company in Wichita, Kansas, where he had moved to court Amy Miller who was there in medical residency. After their marriage in 1998, they continued to work in Kansas for nine years, during which time their twins, Gabe and Will, were born on May 6, 2004. In 2007, the family moved to Seattle where the family still resides.

David was loved by all who knew him. He never said an unkind word, was always willing to drop whatever he was doing to help, had an amazing intellect, yet was so patient with the rest of us who made many mistakes. But most of all David loved his family, and his two sons were the center of his world. David lived a life of love, generosity and kindness. His passing leaves a hole in all our hearts, but the beauty of his life will live on.

David is survived by his wife Amy, sons Gabriel and William, parents Jerry and Betty Hoing, sisters Karla (Jerry), Kathy (Mitch), Brenda (Howard), Barbara, Jerri (Bryan) and cousin/sister Nancy (Don). Also surviving are parents-in-law Cecil and Judy Miller and sister and brother-in-law Kate and Wes Yoder. In lieu of flowers, memorial donations may be made to the Royal High School David Hoing Fund for Science Education.

“ *I'm so sorry to hear about Dave's passing. I have such fond memories of our talks when he'd drop off Lily for sitting. Always had a huge smile on his face. Never too busy to talk for a second. He sure will be missed.*

“ I can still remember the day we went as a family to pick up David. We were all so excited. We were picking up our new baby brother. On the way to the Tri-Cities we voted on his name. I will never forget when they placed David in my Mom's arms. There was instant love and she said he was the most beautiful baby ever. None of us 5 girls were a bit jealous because we were instantly in love also. He grew into an amazingly loving intelligent man. I will miss our talks and his smile. His laugh that filled the room. I will miss watching him cook and listening to him explain what he doing. I will miss discussing science fiction and watching *The Expanse* with him while I was staying with he and Amy while my granddaughter was at Childrens hospital. I am not sure when or if my heart will ever quit hurting but I will remember his love and how much I loved him and I will love his boys Will and Gabe and wife Amy fiercely because that is what he would do for me. “ Dear Gabe, Will, and Ms. Hoing,

I was very sad to learn that your dad/husband had passed away a few days ago, he was a great leader of the troop.

He was always very helpful towards us learning, and was always in a good mood. He was always really helpful in making sure we all got to our camping trips and was very kind, helpful and patient while we were on them. He was very generous, I remember when we were going mountain biking and I didn't have a good bike he offered one of his.

“ I will miss his kind eyes. That's what I remember the most from when Amy introduced her Bethel friends to her Washington boyfriend. He was always so kind to our family and made some awesome spaghetti in my kitchen.

“ I saw David just recently when we went to Bettys, David came down for the weekend to see us (my daughters, and my mom and I). He visited a lot with my daughters and was really interested in every thing they had to say. He was so nice and great, a great cousin! My daughter went to Seattle and he was going to meet up with her and show her around but her visit got cut short. But he called and talked to her for quite a long time. That just shows you how great of a guy he was. We can't understand the whys, but I pray for peace in your hearts, knowing we will see him again. I love you Betty and Jerry and girls, Amy, and Gabe and Will. Prayers for all of us.

I did not know Dave, but I know some of his family. And based on what I've read and heard, he was a good and thoughtful man. May he rest in peace, and my condolences to all of his loved ones.

“ Dave was one of the first people I met when I started at Gonzaga. We were both Mechanical Engineering majors, took many of the same classes (and shared plenty of notes), worked on the same Senior Design Project, and graduated about the same time. Of course, we spent lots of time outside of classes together too. Classmates... roommates... friends...

After graduation, I drove across the country with him to “visit” Amy. We saw Yellowstone, Wichita, Kansas City, Devils Tower, Mt. Rushmore, The Grand Canyon, broke down at 4 corners (oops), Hoover Dam, Las Vegas, Lake Tahoe, Yosemite, and lots and lots of empty space in pretty much every state west of the Mississippi. It was a great life moment that I will always cherish.

Of course, he eventually married Amy and had two wonderful boys. I was in his wedding. What a hot summer wedding that was! And, he was the best man in mine.

Many, many memories. Too many to share in a post.

Dave had a strong intellect and even stronger character. He was well known and well regarded by those who were fortunate enough to know him. The world has lost a great man; the family a great husband and father; and I a dear friend!

“ *Uncle David was always a quick whitted fun loving uncle! I remember when I was little he got to tag along to my birthday, being a teenager it probably wasn't the most fun for him. I remember him reading in the corner always :)*
He was always interested in my life and kids life. He would ask about the girls individually and was genuinely interested. We will miss him deeply, his humor, whistle and fun uncle duties.

David Hoing- the fun uncle-

Taking the time to listen when I was so young

Looking up to him because he was so fun

Lacrosse sticks, love of books and smarts

All came from David's loving heart

Missing your laugh, your eyes and humor

We will seek those things though your sons demeanor.

This isn't goodbye forever,

It's see you in heaven a little later.

“ *What a blessing to have our brother David in our lives. We don't understand the "why" now but some day we will be able to rejoice in the Glory of God with him. He was the smartest, kindest, most patient person I know. His intelligence and witty personality will live on in his boys. We will all hold each other up in these trying times. We will keep our sister Amy by our side always. I love you and will miss you every day David. 💔 Your sister Jerri*

“ *I'm deeply saddened to hear of Dave's death. Though I haven't seen him in 20 years, I have fond and vivid memories of Dave from our time at Gonzaga. I distinctly remember his kindness, openness, and engaging smile. He was always a guy to share a story or laugh. The kind of person you felt comfortable being around.*

I still distinctly remember one weekend evening where we grilled salmon and drank some beers at the house behind Madonna. Just a classic memory and what makes that memory always stick with me is Dave and the conversations we had about fishing, grilling salmon, and just sitting around chatting and laughing.

I also always remember seeing him at the Herak Center. Dave would always stop and chat.

My thoughts and condolences are with Dave's family.

You will be missed Dave Hoing!

“ I remember David always reading at a very young age. We would be standing in line to see a movie and he would be reading a book or a magazine probably National Geographic or something intelligent like that, he was one of those persons you just appreciated being around. Grandma Hoing now gets him at her side once again. Our love goes out to all the family up in Washington.

The little "left" hander from up the block on Daisy Street. So sad to hear of David's passing. My comment at the Wedding was, How are two people in their "right" minds going to make this work. So sad on my part I did not find out about the services late this morning. May God be with David and both families.
