“ *The Keller's lived across the street from my family in the base and then they moved to the other side of the base. I went to grade school that Kevin and Kim. I remember them all as a very nice family. Rest In Peace.* ”

“ *Dave was a good friend to my brother before John passed away in 2000. He was probably the one with the most sense of all the friends. I'm sorry to the family for your loss. RIP Dave. There is getting to be a large reunion in heaven for all of you.* ”

“ I always enjoyed working with Dave, he was always kind and soft spoken. Even when I visited several years after leaving the Moses Lake store Dave saw me smiled and struck up a conversation as if I never left. God Bless you Dave

“ I met Dave through The Home Depot. I swear that man could sell a ketchup popsicle to a woman in white gloves. There was never a dull moment working with Dave. He was amazingly kind and gave knowledge when and where he could. This world will be a little dimmer without him. I will truly miss you.. Bless your travels, Dave... Good Journey!

“ For Dave's Family,

All of us here at Columbia Basin Cancer Foundation were so very sorry to hear that Dave has passed away. I talked with him a few times & with his sons, also. Dave seemed to be a very nice man. My husband worked with Dave for brief time at Home Depot, & enjoyed Dave's company very much. Cancer is such a dreadful disease, and I hope it is some comfort to you that Dave is at peace now, and doesn't have to struggle or suffer anymore. We are keeping you in our thoughts & prayers!

“ *Dave, you're one of the kindest, sweetest people I've ever met. You always had a smile, a joke, or a laugh for everyone & never said no to lending a hand to someone even when you should have. It's a beautiful bright blue morning here in Colorado this morning after a night of clouds & wind & weather & this is sad news to wake up to, even a week later. Rest easy, Dave. Thank you for being you. I wish peace & love to your family. Rest easy.*

“ Dave and I grew up together on the base when we were teenagers, had a lotta fun and did what kids that age do, never a dull moment...knew his Mom and Dad as well as both his sisters...he came and stayed with me in Phoenix for a while before going into the service and coming back here...he was a good and dear friend who I just recently got in contact with and would see him at Home Depot and swear we were going to get together... sorry for your loss, he was loved and his friendship was cherished...
