“ David was such a gentle soul! He found his beautiful wife Valerie at a young age, and they had 3 great children. This was his life, his family. He told me they were the best thing he would ever do! He loved helping people ,having pot lucks with family and friends. Loved the vineyard work, and the people there. Even when we were kids he loved being in the middle of what was going on. He was just a happy guy most of the time, being thankful for the people and life around him. He always looked on the bright side and always thought there was way to fix anything. He was just a great guy to have the chance to know!! Well brother Donnie is there with you now. You both left this earth so sudden and so close together it is hard to process that it is true! You will be missed every minute of every day!! Until we all see one another again.....I love you little brother!! Give Donnie a hug from me, and you two don't cause to much trouble up there!! I know you are in the Lords arms and that gives me great peace. UNTIL....
