“ I was deeply saddened to hear of my friend, Dave's passing. He was fun and kind and always had a smile. He will surely be missed. God bless you my friend. Peace be with you always. My deepest sympathies to to your family. I have known a few of the Westphalens for many years. I even met one of Dave's sons while he was delivering the mail. Is there a service or anything planned?

My heart and deepest condolences go out to the family. So very sorry to hear this news. David was one of my students at Chief Moses Junior High my second year of teaching. Our paths crossed years later at the Computer Store. Lots of stories and laughs to share. What an incredible man he turned out to be! He will be remembered for the laughter and smiles that he shared with those that had the honor of knowing him. A beautiful soul that will be genuinely missed by many.

Didn't know Dave had passed. Jr and I will miss him, chats in the yard, meals at El Charros, his effortless way of fixing my computer screw-ups! We compared scars and stories and laughed a lot. Rest in peace my friend, you've earned it.
