For years David stayed involved in his kids activities, Little League, Boy Scouts of America, soccer, and never missed a concert or sporting event. David was instrumental in supporting his sons to become Eagle Scouts.

A good man is one who is loved for the warmth and caring in his heart. A wise man is one who teaches by fine example of his life. A strong man is one who worked hard and always done his best for the family. To his family these words describe David John Fazende. David's passing leaves a void in the lives of his friends and family who are thankful for the memories. Dad, we love you and will miss you so much!

“ I am saddened to hear of the loss of Dave. My connection and friendship with Dave were through the scrap yard and Monte's museum over the last 20+ years. We had many interesting discussions about the local leaders and the growth of Moses Lake over those years and I will our conversations. That being said I know that I'm a better person for having the opportunity to have spent time with him.##imported-begin##Russell Brown##imported-end##

“ Dear Crystal & Chris, Robin & Gerald, Rob, Jeanie, John & all our Washington family, we would like to express our deepest sympathy for the loss of your wonderful father & father-in-law. We enjoyed the time we got to spent with him immensely. We are so glad he was able to visit his New Orleans family a few short years ago. That was a special time for him and his family. He was a fortunate man to have such wonderful children and their families in his life. Though many miles apart, our hearts are right there with you during this sad time. Much love, Paul and Cindy Mendelson###imported-begin###Paul & Cindy Mendelson###imported-end##

“ First I am so sad to hear of Mr. Fazende's passing. I have nothing  
but fond memories of Mr. Fazende from coaching Rob and I in  
soccer as children to receiving candy from Monte and him when  
Rob and I would show up. I hung around the Fazende household as  
a teenager (and up) Mr. Fazende always made sure to have extra  
dinner for my mooching rear end. He was always very kind to me  
and always treated me like one of the family. My wife was lucky  
enough to get the last tour around Monte's Museum-She had never  
been there before and his eyes still lit up talking about everything  
there -He seemed to truly love that place. Mr. Fazende will be  
missed. Our thoughts are with you and your family###imported-

“ Dear Crystal, Robin, Rob and families,

*I and my family are so very sorry for the loss of your father. When we had the fortunate time to meet he was kind and welcoming. In the over 50 years of my life his sister and brothers would share personal stories. The stories shared never had an unkind word or memory. They were always respectful and sometimes funny. Your family is a part of a fine legacy he has left behind.*
