“ *I was both sad to lose Blake but joyful to know he's at peace. He was an amazing man to make the many heart changes he did so late in life! I admired his courage to face his past and begin again to make the best of his present. He was very special to me for years! My prayers are with you all for healing and reconciliation with his memory. Next time I'm close to Warden, I will leave a root beer float at his marker as promised. A tribute to a very special man indeed.##imported-begin##Judy Lindhag, MSW##imported-end##*

“ *Blake (your father) was a kind man. He and your Mother were my friends. As they were my brother Bill. I don't think I ever heard either one of them speak ill of anyone. They will be missed and the world is better because they passed this way. Sincerely
