“ Tyree Family, I just learned about Debbie. I am so sorry for your loss. Like my Dad said I have so many good memories from those years living across from you on offutt. As a young boy I could always count on David and Danny to hang out with and have a good time amd Debbie was always kind. Those times with the Tyrees are at the core of my childhood. My thoughts are with you.

“ Dear Tyree Family, I am sorry for your loss, as I just discovered the sad news. My heart goes out to you all in this time and my thoughts race back to a time when we lived just across the street. You were all so kind and great neighbors, it was a pleasure to call you our friends. I miss the times when we would meet nearly in the middle of the street or on one side or the other and just chat about whatever was going on in our lives. May the Lord be with you and bless your family.

Sincerely,

“ My thoughts & prayers go out to Deb's family....I met her when my husband, Fred Danz also required 24/7 care & made his home at Columbia Crest...They were both in the electric chairs & we all chatted outside during the warm weather last summer....Knowing her was a privilege & we both enjoyed her company....I know she is in a better place & will not endure continued pain....I also know that she & my husband, Fred (who passed away on the day of Deb's funeral) are running thru the fields of flowers in heaven...May God keep them in his care until we all meet in again someday...##imported-begin##Dee Danz##imported-end##

“ You will be missed by everyone who knew you. A special daughter of my best friend. That is how I see you as well as a very special person. Loved that is for sure. I will miss not seeing you when I come to Wash.
My children give their sorrow also.

“ I truly believe with all of my heart that Debbie is one of God's angels. She was one of my favorite residents at Columbia Crest but within no time she became part of my family. She was such a great person with an amazing heart and I am so lucky that she was put into my life. I believe everything happens for a reason and while her passing breaks my heart, I can't help but think of all the different ways she made such a difference in my life and the person that I am. I've never known anyone with such a big heart and she deserves to be out of pain. I can only hope that she knows how much of a difference she made in my life, how happy she made me and how much I loved her...
Although I'm sad for all of us missing her I know that she is in a better place and looking down on us with her wonderful smile.##imported-begin##Lindsey Reese##imported-end##

“ My heart goes out to you in this time of sorrow.
God saw you getting tired,
and a cure was not to be.
So He put his arms around you,
and whispered, "come with me."
With tearful eyes I watched you,
and saw you pass away.
Although I love you dearly,
I could not make you stay.
A heart stopped beating,
hard working hands at rest.
God broke my heart to prove
to me that He only takes the best.
This was given to me when my father passed away at Christmas
and I wanted to share it with you. Linda Grassl White##imported-
