“ *My deepest condolences to the family of Delores Mae Stine. I am so sorry for your loss. My name is Trina Ramirez Alfaro. I first met Delores when we both worked at Crestview Nursing Home. She was the nicest lady I had ever met! She was kind, gentle, loving and caring! I sure loved working with her and I always wondered what had happened to her. I've thought about her through these 50 years and what is weird is that she came to my mind a couple of times in the past month. I then see her obituary. It made me feel sad. In my heart she was saying goodbye. I wish I would have tried to get in touch with her. I am so sorry for your loss. You are all in my thoughts and prayers. Love, Trina Alfaro*
