“ *Delores was a dear dear lady. I first met her when she came to volunteer at Samaritan Hospital. I enjoyed many years of spending precious moments with her, listening to her share stories of her beloved family and things that were important to her. She was such a dedicated volunteer that even when she had physical limitations, she kept volunteering because she wanted to help and make a difference for others. Delores you will be missed. I remember Delores from when we were growing up in Pleasant Valley. I was a lot younger and occasionally there mother would watch me. I always felt that Delores kept Julie from taking me out in the field and leaving me there. Thank you Delores!
