“ Dennis has always been more than a friend to my family, when thoughts of Dennis come to mind I think of an intelligent, ambitious, and loyal man we deeply respected. Our families shared holidays events and many evenings with a glass of wine a backyard BBQ and funny stories. When I needed help and I often have, his knowledge or his willingness to lend a hand will never be forgotten. If described by one word , for me it would be solid. My heart breaks for my dear friend Patsy his kids, family and friends. he will surely be missed by all those he touched throughout his time here, until United again. It's with heartfelt love I write goodbye, see you later

“ Dennis ,patsy and their children took care of my baby for many years. Heather loved them all so much in fact she called them mom and dad and I never had a care in the world when they had her. They lovingly called her turtle lips! We always have thought of them as family even though we moved far away from them we never forgot. Live your family Dennis Rest In Peace our friend ❤️❤️❤️❤️
