November 9, 1957 - January 22, 2024

Diana Kay Rose, aged 66, passed away peacefully in her home on January 22nd, 2024, surrounded by her beloved family and pets.

Diana was born to Ruth Ann Rose and Earl Rose in Spokane, Washington, on November 9th, 1957. She had a deep passion for horses, which began when her father gifted her Katchina, a brown and white pinto horse. She would often race with her friends in the Peninsula neighborhood in Moses Lake. Diana was a brilliant student and member of the Honor Society, where she was voted Vice President. She set records for the longest time, holding a GPA of 4.0 at Frontier Middle School. Diana had a Scholarship for Advertising Art in Spokane but finished at Big Bend Community College, earning her Associate's degree while being a single mother to her daughter, Falisha. Diana had various jobs, from working at the Moses Lake Fire Department and Columbia Basin Herald to social work with disabled adults. Like her mother, Diana was unafraid to change professions to support herself and her family.

Diana was a gifted artist and passionate about family and yard work. She was the primary organizer of family gatherings and helped her mother with them. These gatherings created wonderful memories for everyone. Later, she dedicated herself to caring for her mother and her grandson, Jaeden. She adopted Jaeden, and she was his sole care. Diana enjoyed retirement at her home and made it a loving place. Unfortunately, her life was cut short after

she was diagnosed with lung cancer. She had loving support from her family and hospice care during her final days.

Diana is preceded in death by her mother and father, Ruth Ann and Earl Rose. Brother Richard Rose. She is survived by her Daughter Falisha, Son Jaeden, and Grandson Quinn. Brother Michael and Sheryl Rose. Brother Alan Rose and Linda Wilson, her beloved Austin Hill, Uncle Clyde and Rosalie Langston, Aunt Donna Kasten, countless nieces, nephews, friends, and beloved pets.

So sorry to hear of Diana's passing. We went to school together graduating in 1976. I will always remember sweet spirit and quite gentleness. She was always very nice to me. A little shy. Rest in peace. CANCER SUCKS. I will pray for understanding why you had to go to heaven so young
