“ *Dianna was my EVERYTHING! She was my bestfriend, my buddy, my sister, the one person I could rely on no matter what. We were unseperable. She was my inspsiration and motivation to graduate, and now that she isn't here today, life is not the same! I ask myself what do I do now? Why did God take her from us? Why her? Why not the bad people? Why do the good die young? My life is worthless and a complete mess without you Dianna. Deep, down inside I am still burning with pain. Every night I cry myself to sleep just thinking of you. There isn't a day that goes by that I don't think of you. Everyday I always see pictures of you to remind me of the good times we shared and to remember the amazing person you were. I LOVE YOU and MISS YOU, Dianna! Rest In Peace, 'til we meet again.##imported-begin##Gardenia Sanchez##imported-end##*
