“ Our condolences to all the family. Your momma was a sweet person, with a beautiful dimpled smile. I always thought she was so pretty. Both her and your dad were such nice people. God takes the best, we are with you in prayer while you travel to Mexico to say your last goodbye to your momma. We know the days to come will be difficult, but with Gods help all things are bearable. Hugs to all!

“ She will always be remembered in so many ways she was without a doubt a loving and beautiful person the one thing that really will stay in my heart forever was when she started making rosaries and donate the money for the homeless and the sick in Mexico. She will always be loved and never forgotten. May she rest in peace our beloved Tia lolita
