

Don Cunnington

July 4, 1936 - March 11, 2020

Donald Bert Cunnington passed away peacefully on March 11, 2020 at home. Don was blessed by the loving care and attention of his family through the end of his life.

Don is welcomed into heaven by his wife, Mary and son, Daniel. Don has yearned for Mary since she passed away in 2011. Their love and marriage was an exemplary model for the family and all who knew them. They delighted in each other for 55 years of marriage.

Family was the focus of their lives. Together they created a vital and integral family unit. Don and Mary had six children, eleven grandchildren, and now have fifteen great-grandchildren. They raised their family in the little pink house on the corner in Moses Lake, Washington.

Don worked as a cable splicer and a manager for ATT/PNW Bell for 38 years, retiring in 1990.

In retirement, Don's life was full and complete. His life centered around nurturing grandchildren and great-grandchildren, serving in the Catholic church, following his favorite sport teams (the Mariners and the Hawks), hanging with family around the pool, and traipsing lovingly after Mary.

Don is survived by five of his children, Debra, Dawni, Jeanne, David, and Dyan. All of his grandchildren and great-grandchildren will dearly miss him.

In lieu of flowers, the family would appreciate memorial donations to:
St. Jude's Children's Research Hospital

“ Don and Mary are 2 of my favorite friends. It was always a pleasure to watch all of you together, for different reasons. To each of you wonderful (kids), they are so proud of each of you and always have been . I so admire the love you have had in your family for as long as I have known you. I miss them terribly and each of you as well.

“ Daddy I have so many memories that I will hold close to my heart. I will miss you with all my heart. I love you so much. My heart may ache, but I know you are where you have wanted to be for far to long. My vision is of you and moma dancing together, gazing into each other's eyes and smiling like you were the night of your 50th wedding anniversary. It is the memory i will hold closest to me. I know the angels are singing because two loves of their lives are together once more.

*I love you daddy.
