“ *Donnie was taken way to soon!! He was a Great Grandfather a the age of 66! He was so proud of his 2 boys! He was such a joker! Loved one liners, sat back smirking to see how long it would take you to get it! Loved hunting, fishing, skit shooting, and staying busy. He lived in Moses Lake his whole life. He liked the simple things in this life, talking and having a beer! Family and friends and his dogs! Well brother we went thro a lot and made it out the other side in pretty good shape! Now that we both have the time at the same time, you bounce!! I am so glad you got your "happy" before you left !! I am going to miss you and your texting!! You give David and Little Donnie a big hug for me please, and you three don't get into to much trouble!! Until we see each other again brother I love you bunches!! UNTIL....*

“ *My family lived in the same neighborhood as the Mercier family. My sister used to babysit the Mercier kids. After she left home I took her job of babysitting. My little brother John was the same age as Donnie (I think). My prayers go out to the family. RIP Donald. You have a lot of old friends waiting for you in heaven. Joan (Thaden) Lobie*
