I had the pleasure to work with Don and the entire Newton family while working for Jacks bargain Barn. I worked tat Jacks from 1976 until they were bought out by Excell foods! Don was always the calm one. He was a kind man with great empathy for all. I speak for many former employees, friends and such when I say Don will be remembered fondly and will be missed by many. My prayers and deepest respect to all of the Newton family during this time of sorrow.
