“ I worked with Don for several years at Lakeview. Don always was willing to help me or others at our school. Being the Music teacher there, Don always liked to help with the sound system. He was a very humble man, with a big heart. He will be missed. May the Lord comfort your family.

“ Don had the biggest heart ever. I worked with him for several years at Lakeview. He never turned away an opportunity to help children or go the extra mile to support staff needs. Don always found the silver lining in every situation. He truly was a blessing. Rest in peace buddy.

“ When I worked at Chief Moses Middle School, Don would come around in the evenings and spread cheer. He was always kind and considerate. Our Father's house has many rooms, Don. There's one reserved for you, old friend. Rest in peace.
