“ Dear Sharon...  
My heart and thoughts are with you and your family...  
Don's a good man that loved you and his family...I appreciated having the opportunity to help him seek employment. He was always so thankful and gracious for whatever help he was given. So often we do not understand why our love ones suffer but I do know that Don is now at peace. I appreciate you and your sweet spirit. You will remain in my prayers.  
My love to you...DaLila###imported-begin###DaLila Merkley###imported-end###
