“ My sincere heartfelt sympathy goes out to all the family. Mr. Gillespie served on the Grant County Planning Commission for many years when I was Director, and it was he who offered his support so many times and convinced the County Commissioners I should be given the Planning Director position. I could always count on him for advice and I will never forget him for his friendship, kindness and willingness to serve for so many years, along with the quick sense of humor and back in the day, with his cigars, Love and Blessings to you all.
