

Donna Marie Miller

January 15, 1949 - July 10, 2019

Donna M. Miller (Blackwood 1-15-49) took her stand up comedy routine to Heaven July 10th. Boy do we hope He knows what He has gotten Himself into as Heaven will surely never be the same.

Her family is fairly, if not pretty certain, she loved and adored her cowboy of 50 years, David Miller. Her daughters, Krista Jones, Julie Garibay, Stacy Orozco and bonus kid Brandi Engel, her son in laws, Mason, Aaron and David, her brother John Blackwood, sister Barbara Allen as well as her many nieces and nephews.

The one thing that we do know for a FACT, however, is that her biggest love and joy were her grandkids, Jord'Enn Barker, David Mende, Haylee Orozco, Rylee Garibay, Kaylyn Orozco, Brynlynn King as well as many "extra and loved" grandkids throughout the years. It is in those faces that her laughter, love, memory and wit will live on.

She was proceeded in death by her parents, John and Marie Blackwood, brother in law Dave Allen and son in law, Deme Garibay.

Mom leaves behind, all of us, her fur babies, a world that is just a little less comical and humorous, her baking supplies, and laughter. Lots and lots of laughter.

In lieu of flowers, we ask that you bake your favorite pie, invite your family and friends over, sit around the table and share that pie and some memories. You would be amazed at what a pie can do for a family.

Extra special thank you to Aunt Barb and Brad S for going above and beyond.

Hey Donna..... “And when you get the choice to sit it out or dance, I hope you dance.”

“ I am saddened by the news of Donna's passing, Know that the world will be a lessor place, but heaven gained an angel. I worked with you Mother for a short time and found her to be hardworking and humorous. She kept everyone fed. I loved her story of cooking to feed Dave when they were first married, Donna said she was a bad cook and said she was glad when Dave ate the hotdog gravy without batting a eye. She learned to cook and bake and bring joy to those she met. I pray for your family, you lost a good one!

Weenie water gravy is what she called it. She definitely improved and kept her family fat and happy for many, many years.
