Donna F. West October 21, 1934-March 01, 2024

Our beautiful mother, who brought three children into this life left her earthly body and went home to her father on March 01, 2024. Her children were with her as she passed into her new life.

Mom is survived by her 3 children, Caroline Christensen and spouse Jesse, Michael Garrison, and Melodie Dowdy and spouse Craig. As well as multiple grandchildren, great grandchildren, nieces and nephews.

Our Mom possessed a childlike wonder that time and age had not diminished. She was blessed with a beautiful sense of humor, a quick wit, and cutting sarcasm. Our mom loved deeply and was loved by numerous friends and family. Mom had the ability to create deep connections with those she was in contact with. The outpouring of love we have seen has been amazing. We marvel at the impact Donna Faye had on others. She was truly a special person, and we are so blessed to have called her mother.

We invite anyone that knew and loved mom to attend her celebration of life that will occur in Moses Lake on May 18, 2024.
