

## Dora Hankla

November 9, 1927 - June 24, 2019

Dora Hankla

On June 24th Dora left us.

She was the toughest, bravest, most caring, unselfish woman. The rock of our family.

We're joyful knowing that she is reunited with her beloved 3rd daughter and someday we'll all be together again.

She shared 20 plus years with her best friend, love and partner, Bud. Together they built a foundation of love and family.

She leaves a legacy for us to aspire to and a hole in our hearts that will never heal.

She leaves behind Bud; her daughters, Torrie and Sydnie; grandsons Brady (Kristi) and Scott; great granddaughters, Kelsey and Olivia. Bud's children Audrey, Cindy, Greg, Doug, Steve, Tom and their families.

A special thanks to Ken and Dee for their friendship and all of their help.

We love you so much. Happy trails!

“ We had Dora and Bud over a number of times for a pork rib BBQ.  
They just loved them...  
We will always have sweet memories of Dora,
