“ Dorothy taught at Longview Elementary working with Special Students for many years.
I taught at Longview for some of those years. Dorothy always used love and kindness toward her students. My Husband and I always admired both her and her husband, Harold. She has touched so many lives in her long teaching career. A life well lived!

“ Dorothy is a true angel. We connected because of her son Berry. We spent many Saturdays yard sales. She touched my heart in many ways. I am the person I am today because of her influence.

She dances now with her Prince Charming while her sons lovingly watch over.

Much love to her beautiful family

“ I have known the family of Aldridge most of my life, mostly through the Methodist church where I grew up . Mt Aldridge was one of my school teachers in Elementary school . They both ended up being best friends through my local Square Dancing club , while I danced with Harold . They both be greatly missed in my heart forever. God Bless the family on their recent loss of a great person .

“ My Aunt Dorothy (and Uncle Harold) will always be very special to me and hold a dear place in my heart. Growing up I spent lots of time with them and hold very dear memories. I grew up super close to my cousin, Barry and together we shared many adventures with Aunt Dorothy and Uncle Harold. I treasure the times we spent at the cabin, square dancing (that was a blast) and travels to Kansas...always stopping for the 10 cent ice cream cones at Great America. I loved the times I stayed the night and all the Donny Osmond posters plastered on my cousin Val's bedroom walls. Another memory...not quit as fun but funny now was when Dan and Richard scared the crud out of me and Barry on Halloween. I lived 3 blocks away and my mom heard me scream all the way home I'm sure. Aunt Dorothy...I will miss your delicious brownies...your hugs...and your beautiful smile...the same one you shared with your brother...my grandpa. Until I see you again...Your niece, Stacey
